\* If we do not have enough parent helpers we may either have to do less days or cancel. Please fill out the form and return as soon as possible, in order to make the decision about the skating days.

- I have had parents in the past purchase skates for \$5.00 - \$10.00 at the Catholic Charities store, Value Village or at the Salvation Army. We have some that have been gathered throughout the years and gratefully donated by Lakeview families. Our school has some skating helmets that are available, please let me know if you will need them, and you can try them on your child after the Christmas holiday.

\* Mrs. Turner, Mrs. Gonzalez, Mrs. Elliott and Miss Ikeda would like to thank you for all your support in your child's education. Have a wonderful Christmas holiday and best wishes in 2020!
