

# CLASS

# Connection

## More info & reminders:

We are having our 100th Day celebration on **April 21(Tues.)**. Children will be asked to bring in a project on that day, that will help celebrate our 100th day of Kindergarten. Students will create a display/project that has a 100 objects on it. ex. a poster with the number 100 written using 100 Cheerios, a collage of 100 words, 100 pictures they have drawn, or a shirt with a 100 buttons on it ...etc. We will hopefully be able to display their work later in the school's display case near the office.

### **Stone Soup! March 31 (Tuesday)**

-We will be reading the story "Stone Soup" and the class will create their own stone soup together on March 31. We are asking students to bring 1/2 cup of washed, prepared or cut up vegetable of your choice. Some examples are: tomatoes, peas, celery, carrots, potatoes, onions, beets, corn, broccoli, turnip, beans, pearl barley and etc. Have fun finding a vegetable to share! \*\*If anyone has a clean & smooth stone to place into our special stone soup, please bring in A.S.A.P. so we can do some special cleaning for a few days!
